MEMORANDUM FOR: DDI Training Liaison Officers

SUBJECT : Intermediate Intelligence Training Programs

1. At the July meeting of the Office of Training and the DDI Training Liaison Officers, [REDACTED] presented a brief description of the Intermediate Intelligence Training Course designed to meet the specialized requirements of OSI analysts. It was announced at the meeting that a brief written appraisal of the course would be furnished to each of the training liaison officers in order to assist them in determining requirements for similar courses.

2. The point was raised and clarified at the meeting that other offices interested in the OSI course could nominate candidates for attendance at the next offering of the course. It was observed that attendance at the OSI course might be of value to personnel in other offices who were engaged in activities in support of OSI.

3. In transmitting this appraisal to you this office requests response to the following questions:

a. Do you have requirements for the establishment of an intermediate level intelligence course designed to meet specialized needs similar in objective to the course described in the enclosure?

b. Do you have requirements for participation of personnel in your office in the OSI course?

4. It is requested that your responses to these questions be forwarded to the Office of Training prior to the August meeting, which is now tentatively scheduled for 26 August.

5. At the August meeting an opportunity will be afforded to discuss intermediate intelligence training programs with the Chief of the Intelligence Training Division, [REDACTED]
